

ARIBIDARA JERRY

Job intention: Music Instructor

Personal Profile

I am a passionate musician, instrumentalist, and composer with expertise in various instruments and genres, including classical, jazz... etc. As an experienced teacher, I focus on fostering creativity and musical expression in my students. Additionally, I am a skilled web developer proficient in HTML, CSS, JavaScript, and Python, with experience in frameworks like Flask. My compositions blend traditional and modern influences, aiming to connect with diverse audiences. I am committed to continuous growth in both music and technology, and I strive to inspire others through my work and teachings.

Educational

Hebron Primary School 2005-2015

I had my primary education at Hebron Nursery and Primary School in Lagos, Nigeria.

Hebron Land College 2015 - 2021

My college education at Hebron Land College in Lagos, Nigeria.

University of Lagos 2023 -

Currently studying Music at the University of First Choice whilst pursuing my other career as a programmer and currently delving into backend with python.

Professional music certifications

MUSON (GRADE 5) - 2021

MTCM (GRADE 5) - 2023

ABRSM (GRADE 5) - 2023

Experience

Work Experience

I've worked with the following schools as their Music Director and some as Assistant: Palm Heights School, Brookstones international school and others.

Free Ikoshi Isheri LCDA training

I've undergone a three-months intensive training on web development and was certified. I also have it in mind to partake in another coding programme to enhance my skills.
